General Printing

Offset & Digital

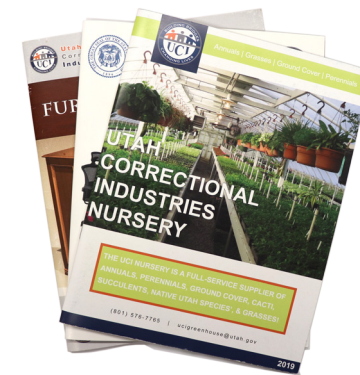

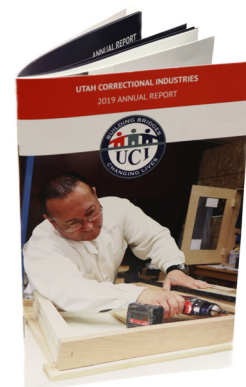

The UCI Print Shop is set up to meet all of your general printing needs. Our offset options are great if you need large quantities and are looking for some cost savings. Digital, on the other hand, is ideal for speed when you have a short turn-around deadline.

Whether you want black & white or color prints, saddle stitched or coil-bound books, glossy or matte finished flyers, or company letterhead & envelopes - we've got you covered. We print countless business cards and can do everything from a basic, classic design to a more elaborate, contemporary design.

We offer every size and weight of paper in an endless number of options for color and finish. We have an array of presses and a full-scale digital operation. Couple that with a graphic design department using the latest technology and we are built to comfortably meet the demands of any printing project you have!

OPTIONS INCLUDE:

- Business cards
- Envelopes
- Letterhead
- Newsletters
- Booklets
- Flyers
- Brochures
- And more...

Large Format

Our large format department is able to produce anything you've got that is simply too big to print elsewhere.

Do you need a 3' x 20' banner for a pending sale or grand opening? **We can do that.**

Do you need to set up a booth for an upcoming show and you want to be sure to impress? Not only can we do that, but we'll help make sure your booth blows away the competition.

Posters, Banners, & Canvas

How about important memories you've captured on film that you'd like professionally displayed on the wall? Our gallery wrapped canvas prints are the perfect solution. We make our own frames in-house and can make your frame up to 54" wide.

If you need something big printed - **we can do it!**

Large Format

Stickers, Decals, Coraplast, & Foam Core

We got you covered!

Our large format department doesn't just tackle the big stuff. Our large printers and flat-bed cutter are the perfect tools for producing any sticker, decal, election sign, or wall-mount you can dream up.

Promotional Items

When it comes to promotional items, the sky is the limit. We offer everything from custom mugs and coasters, to custom hand-turned wooden pens. We can do watches, lip balm, and breath mints. You can design your own mouse pad in just about any

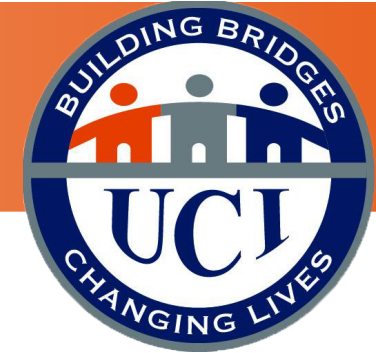

size or shape. If you want it, we can find a way to get it and print something awesome on it!

If you have a big event coming up, a swag bag full of goodies for your guests is always a hit. We'll even customize the bag!
