Does the individual procurement item(s) cost less than $1,000? — Yes →

When each item in the procurement costs $1,000 or less AND the total procurement is a maximum amount of $5,000, the small purchase–quotes not required–rule, allows the agency to select the best source without seeking competitive quotes. An agency may not spend a maximum of $50,000 in a fiscal year with an individual vendor using the small purchase–quotes not required–rule. This rule cannot be used for ongoing services.

Does the individual procurement item cost more than $1,000 but less than $5,000 AND does the total purchase cost less than $5,000? — Yes →

When the individual procurement item cost is more than $1,000 but less than $5,000 AND the total procurement is less than $5,000, the agency must obtain competitive quotes. The agency must purchase the item/service from the supplier offering the lowest quote meeting specifications. Instructions concerning the quote process can be found in the *Request for Quotation Sheet* which is located at http://purchasing.utah.gov/purchasingforms.html

After all known vendors have been contacted, if only one vendor offers a quote, State Purchasing must be contacted for authorization to proceed.

Will the total purchase cost more than $5,000? — Yes →

Are there multiple potential vendors?

The agency shall enter an RQS (can result in a purchase order or agency contract) or an RQM (only can result in an agency contract). The agency does not collect quotes. Quotes/bids will be obtained by the Division of Purchasing.

Does the procurement meet the sole source procurement definition as found in Code and Rule?

The agency must complete a sole source request and submit it with a quote from the vendor to State Purchasing. A sole source for a PO must also have an RQS number.
