Get To Know UCI

UCI is Utah's prison industries program. Under the direction of the UCI director and the Utah Department of Corrections, UCI operates productive enterprises utilizing offender labor to benefit tax-supported entities, which includes all state agencies and political subdivisions.

UCI is a self-supporting program, deriving its revenues solely from the sales of products and services. Not only do you receive quality products when you purchase from UCI, you are also supporting a great program. UCI provides goods and services for public use while saving taxpayers money.

UCI provides training and structured activity for offenders in a real work environment. Offenders working at UCI acquire vocational skills under working conditions similar to those which prevail in private industry; preparing them for legitimate employment after they are released from prison.

UCI provides high quality products designed and manufactured with you in mind. Few people are aware of the numerous products and services that we offer. We can furnish your office, conference room, lounge, waiting room, library, or other work area with quality industry-standard products. Labor intensive services such as general construction, roofing, asbestos abatement, and pavement crack sealing are offered as well.

At UCI you can also purchase clothing, mattresses, interior and exterior signage, and a wide variety of printing services. In an effort to increase our offender employment numbers, we are constantly looking for new products and services. As such, our product line is so diverse and flexible that we are confident that we will always meet the needs of our customers.

Our staff and employees are equally flexible. If there is something you need that we don't offer, we can make the necessary changes to accommodate you and meet your needs.

We invite you to contact one of our marketing representatives for special needs and up-to-date information on any of our products & services or if you would simply like more information about UCI. Personal Modifications - Woods & Stains

Each wood species offers a different texture and grain. Minor variations in finish color and value may occur due to the natural characteristics of wood. UCI uses only the highest quality furniture grade stains and finishes in producing furniture. UCI carefully selects all materials used in every product, ensuring a commercially acceptable color and finish. However, it is possible for light and time to alter the color of wood and stain. The stains represented here are similar to the actual product. If you want to see examples of finished furniture or if you have questions about matching finishes to your existing furniture, please call (801) 522-7931.

TERMS & CONDITIONS

PRODUCT DESIGN

Utah Correctional Industries reserves the right to make changes in design and construction or discontinue products without prior notice.

PRICING

In accordance with the State Us Law (63G-6a-804 Purchase of prison industry goods.), UCI updates all catalogs every year (on or before July 1) and updates/revises them as necessary throughout the year. However, due to frequent fluctuations in the cost of raw materials, pricing is subject to change without notice. Quotes are valid for 14 days and will need to be re-quoted if signed approval is received more than 14 days after the original quote date.

AVAILABILITY

Items are normally available within 6-8 weeks. If no specific date is requested, we will assign the best possible ship date available on a made-to-order basis. Contact our Customer Service department for specific availability.

ORDER CHANGES

UCI does not usually accept changes requested after order confirmation. However, we will accept reasonable changes on an order with the following conditions:

- The request for change will be subject to UCI's ability to perform.

- Changes will be subject to additional charges as applicable.

- Changes must be brought to UCI's attention through written notice. Changes may result in rescheduling of delivery time.

CANCELLATIONS

The acceptance of an order by UCI is final and binding and not subject to cancellation by the customer without written notice to UCI. A cancellation or restocking fee from 30% to 100% of the order may be imposed on cancelled orders.

DELIVERY AND FREIGHT CHARGES

There may be an additional cost for delivery and installation services depending on your geographical location. Should either of these services be requested or required, all charges incurred will be charged to the "sold to" of the order. Any order requiring "non-dock" or "inside" delivery must specify such on the order.

DAMAGED MERCHANDISE

UCI cannot guarantee any product stored or set in place in an environment where temperature and humidity are not controlled.

REPAIR CHARGES

A Customer Service authorization must be secured from UCI prior to UCI incurring repair charges.

FINISH-COLOR MATCHING

Different wood species offer unique texture and grain. Minor variations occur in finish-color and value due to the natural characteristics of wood.

Furniture - WARRANTY

Our commitment to your satisfaction does not end with the purchase of UCI products. Utah Correctional Industries warrants furniture purchased from UCI to be free from defect in workmanship (when given normal care and use) for 5 years of single shift use by the original purchaser.

UCI warrants **coverings** (for the original purchaser) to be free of defects in materials and workmanship for 2 years.

UCI will repair or replace (UCI's discretion) items covered under this UCI warranty; providing they are within the terms set in this warranty.

This UCI warranty is valid only if products are given normal & proper use and comply with UCI installation & maintenance instructions. UCI assumes no responsibility for repairs to products sustaining damage resulting from user modification, attachments to a product, misuse, abuse, alteration, or negligent use.

This warranty does not cover the following: damage caused by carrier other than UCI, any material specified by the customer that is not a standard UCI product offering, damage caused by and/or resulting from user modification, or negligent use of the UCI product.

This warranty also does not cover items manufactured by any entity other than UCI. UCI offers multiple products from other manufacturers (monitor arms, CPU holders, etc). Warranties for these items are specific to their respective manufacturers.

There are no other warranties except as expressly set forth herein; either expressed or implied. We exclude (and will not pay) consequential or incidental damages under this warranty.

UCI guarantees its customers that we will stand behind the workmanship & products produced at UCI and pledge to do everything reasonably possible to solve problems on a timely basis (within the terms of this warranty).

Wood/Stain Options

		STAIN OPTIONS						
		Natural	Fruitwood	Medium	Burnt Umber	Dark	Victorian	Espresso
WOOD OPTIONS	OAK							
	WALNUT							
	CHERRY							
	MAPLE							

Each wood species offers a different texture and grain. Minor variations in finish color and value may occur due to the natural characteristics of wood. UCI uses only the highest quality furniture grade stains and finishes in producing furniture. UCI carefully selects all materials used in every product, ensuring a commercially acceptable color and finish. However, it is possible for light and time to alter the color of wood and stain. The stains represented here are similar to the actual product. If you want to see examples of finished furniture or if you have questions about matching finishes to your existing furniture, please call (801) 522-7931.
