(A) *a legislative procurement unit;*

(B) *a judicial procurement unit; or*

(C) *a public transit district.*

Get To Know UCI

UCI is Utah's prison industries program. Under the direction of the UCI director and the Utah Department of Corrections, UCI operates productive enterprises utilizing offender labor to benefit tax-supported entities, which includes all state agencies and political subdivisions.

UCI is a self-supporting program, deriving its revenues solely from the sales of products and services. Not only do you receive quality products when you purchase from UCI, you are also supporting a great program. UCI provides goods and services for public use while saving taxpayers money.

UCI provides training and structured activity for offenders in a real work environment. Offenders working at UCI acquire vocational skills under working conditions similar to those which prevail in private industry; preparing them for legitimate employment after they are released from prison.

UCI provides high quality products designed and manufactured with you in mind. Few people are aware of the numerous products and services that we offer. We can furnish your office, conference room, lounge, waiting room, library, or other work area with quality industry-standard products. Labor intensive services such as general construction, roofing, asbestos abatement, and pavement crack sealing are offered as well.

At UCI you can also purchase clothing, mattresses, interior and exterior signage, and a wide variety of printing services. In an effort to increase our offender employment numbers, we are constantly looking for new products and services. As such, our product line is so diverse and flexible that we are confident that we will always meet the needs of our customers.

Our staff and employees are equally flexible. If there is something you need that we don't offer, we can make the necessary changes to accommodate you and meet your needs.

We invite you to contact one of our marketing representatives for special needs and up-to-date information on any of our products & services or if you would simply like more information about UCI. Traditional Industries Programs

Our traditional industries work programs provide cost-effective, quality goods and services to state agencies, counties, cities, other government municipalities, and numerous private sector partners. Each year these manufacturing and service operations save Utah taxpayers hundreds of thousands of dollars while providing meaningful work experience to inmate workers.

Private Sector Partnerships

A number of our (PS) Private Sector / (PIE) Prison Industries Enhancement programs are showcased in this catalog. A detailed breakdown of what a PIE Certification Program is and how you can participate is provided on the next page. You can find more information about our PIE program by calling 801-522-7931.

Freedom

Freedom to Move

The Freedom got its name because it was designed to enable and encourage freedom of movement for the user.

- No locks.
- No tension springs.
- Intelligent mechanisms that automatically support your body in every position.

Task Chair

Features:

- Every component on the Freedom Task Chair comes standard from the vendor in black.
- The intelligent counterbalance recline mechanism automatically provides the right amount of support through the full range of recline motion (regardless of user size or weight).
- The extra motion of the backrest automatically adjusts to the changing needs of the spine.
- The dynamic, position-sensitive headrest adjusts to cradle the users' head and neck as they recline and moves out of the way automatically when they sit upright.
- The sculpted cushions closely follow body contours, which increase contact and decreases concentrated loads.

Luxo

The Luxo utilizes “LeatherSoft” upholstery; a revolutionary new material that gives you the elegance and feel of leather, without the cost or maintenance.

Features:

- A Contoured Back that provides the ultimate in lumbar and back support.
- A Molded Seat that incorporates a knee-tilt mechanism; ensuring all-day comfort by allowing your feet to remain on the floor.
- A Waterfall front edge that reduces leg pressure.
- Steel Arms that utilize a 3-point pivot action that offers ideal arm support no matter the user’s position.
- Soft polyurethane Arm Pads that provide arm comfort while protecting the chair.

Breathe Task

Breathe seating offers a beautifully sculpted polypropylene back wrapped in a double layer of fabric mesh. The double layer of mesh is also used on the foam-cushioned seat and is both soft and durable; allowing for ventilation while reducing fatigue.

The Breathe Task Chair can be ordered in several configurations:

- Arms with Headrest.
- Arms without Headrest.
- Without Arms or Headrest.

The adjustable lumbar support can be adjusted by reaching back and moving the desired position.

The headrest can be positioned and adjusted to offer all users optimum comfort.

Ithaca

Ithaca seating provides the comfort and adjustability of premium seating without the premium price tag. Ithaca Task Chair features include:

- Thick contoured foam.
- Free-float function.
- A smooth synchro-tilt mechanism.
- Back height adjustability.
- Seat height adjustability.
- Optional seat depth.
- Poly back shroud.
- Back lock.

Task Chair & Stool

Much like the Ithaca Task Chair, the Ithaca Stool has a classic look and luxurious feel. In addition to the stool's oversized five star base, it also boasts a turn-lock foot ring, which can be set easily and solidly to help maintain neutral posture.

Unlike the task chair, the stool does not have a free float function. However, it does offer many of the other practical and convenient features:

- A smooth synchro-tilt mechanism.
- Back height adjustability.
- Seat height adjustability.
- Optional seat depth.
- Poly back shroud.
- Back lock.

Navigator

Navigator Seating was designed with versatility in mind. The 4-leg base and articulating back will provide users with a high degree of ergonomic comfort.

The Navigator is perfect for conference or training rooms. The nesting ability allows you to quickly roll out extra stored seating as needed and is great for easy storage and mobility.

OPTIONS INCLUDE:

- With or without Arms.
- Flip-up polypropylene Tablet Arm.
- Upholstered Seat with Poly Back.
- Upholstered Seat with Upholstered Back.
- Bell Glides.
- Several colors available for:
 1. Upholstered Seat or Back.
 2. Poly Arms and Back.
 3. Chrome Plated or Powder Coated Frame.
