Get To Know UCI

UCI is Utah's prison industries program. Under the direction of the UCI director and the Utah Department of Corrections, UCI operates productive enterprises utilizing offender labor to benefit tax-supported entities, which includes all state agencies and political subdivisions.

UCI is a self-supporting program, deriving its revenues solely from the sales of products and services. Not only do you receive quality products when you purchase from UCI, you are also supporting a great program. UCI provides goods and services for public use while saving taxpayers money.

UCI provides training and structured activity for offenders in a real work environment. Offenders working at UCI acquire vocational skills under working conditions similar to those which prevail in private industry; preparing them for legitimate employment after they are released from prison.

UCI provides high quality products designed and manufactured with you in mind. Few people are aware of the numerous products and services that we offer. We can furnish your office, conference room, lounge, waiting room, library, or other work area with quality industry-standard products. Labor intensive services such as general construction, roofing, asbestos abatement, and pavement crack sealing are offered as well.

At UCI you can also purchase clothing, mattresses, interior and exterior signage, and a wide variety of printing services. In an effort to increase our offender employment numbers, we are constantly looking for new products and services. As such, our product line is so diverse and flexible that we are confident that we will always meet the needs of our customers.

Our staff and employees are equally flexible. If there is something you need that we don't offer, we can make the necessary changes to accommodate you and meet your needs.
