# Get To Know UCI

UCI is Utah's prison industries program. Under the direction of the UCI director and the Utah Department of Corrections, UCI operates productive enterprises utilizing offender labor to benefit tax-supported entities, which includes all state agencies and political subdivisions.

UCI is a self-supporting program, deriving its revenues solely from the sales of products and services. Not only do you receive quality products when you purchase from UCI, you are also supporting a great program. UCI provides goods and services for public use while saving taxpayers money.

UCI provides training and structured activity for offenders in a real work environment. Offenders working at UCI acquire vocational skills under working conditions similar to those which prevail in private industry; preparing them for legitimate employment after they are released from prison.

UCI provides high quality products designed and manufactured with you in mind. Few people are aware of the numerous products and services that we offer. We can furnish your office, conference room, lounge, waiting room, library, or other work area with quality industry-standard products. Labor intensive services such as general construction, roofing, asbestos abatement, and pavement crack sealing are offered as well.

At UCI you can also purchase clothing, mattresses, interior and exterior signage, and a wide variety of printing services. In an effort to increase our offender employment numbers, we are constantly looking for new products and services. As such, our product line is so diverse and flexible that we are confident that we will always meet the needs of our customers.

Our staff and employees are equally flexible. If there is something you need that we don't offer, we can make the necessary changes to accommodate you and meet your needs.

We invite you to contact one of our marketing representatives for special needs and up-to-date information on any of our products & services or if you would simply like more information about UCI. The number listed below can also be used for requesting information on your current order and to obtain current pricing information.

Add 1,000	\$3.00	\$3.00	\$3.00

The above prices are for 1 embroidered logo/image and are based on:

- How many stitches it takes to embroider the entire logo/image.
- How many pieces of product onto which the logo/image is to be embroidered.

Item pricing takes into account two primary factors:

- How many logos/images are to be embroidered on the item.
- How many stitches are in each logo/image that is to be embroidered on the item.

The number of stitches involved in embroidering a certain logo/image cannot be determined simply by seeing a picture. However, our digitizers can take a picture and create a mockup of the logo/image and determine the stitch count. We can then pass that on to the customer.

If a customer wanted to estimate potential cost, our historical data suggests that there are approximately 10,000 stitches in a 3.5"x3.5" logo/image. That can be doubled for a 7"x7" logo/image. However, that is purely an estimate. It will always depend on how much detail is contained within the logo/image and a mockup and bid from the shop is required for official pricing.

The following are examples of Embroidery mockups provided by the shop:

Referencing the table on the previous page, the embroidered  
3.4" x 2.5" triangular logo shown here would cost:

\$9.50 for 1-9 items

\$4.60 for 10-99 items

\$4.40 for 100 or more items

Front Embroidery  
3-Color:  
"Black" - "Olive Drab" - "Silver Steel"  
10,854 Stitches

Referencing the table on the previous page, the embroidered  
1.7" x 0.5" "CIRT" text shown here would cost:

\$7.00 for 1-9 items

\$3.40 for 10-99 items

\$3.30 for 100 or more items

Back Embroidery  
1-Color: "Olive Drab"  
1,240 Stitches

Referencing the table on the previous page, the embroidered  
10.5" x 1.5" "Softball" text shown here would cost:

\$9.50 for 1-9 items

\$4.60 for 10-99 items

\$4.40 for 100 or more items

Front Embroidery  
1-Color: "Light Navy"  
13,739 Stitches

# Pricing Information for Screen Printing

## Screen Printing Logo Price Guide

(Add an additional \$2.00 for customer provided items.)

Pieces	1-2 Colors	3-4 Colors	5-Color	6-Color
0-24	\$6.00	\$7.00	\$8.00	\$9.00
25-49	\$5.00	\$6.00	\$7.00	\$8.00
50-74	\$3.50	\$4.50	\$5.50	\$6.50
75-99	\$2.50	\$3.50	\$4.50	\$5.50
100-149	\$1.60	\$3.20	\$4.20	\$5.20
150-199	\$1.50	\$3.05	\$4.05	\$5.05
200-249	\$1.40	\$2.85	\$3.85	\$4.85
250-999	\$1.30	\$2.60	\$4.60	\$5.60
1000+	\$1.20	\$2.40	\$3.40	\$4.40

The above prices are for 1 screen-printed logo/image and are based on:

- How many colors are in the logo/image.
- How many pieces of product onto which the logo/image is to be screen-printed.

For example: if you have 55 shirts and your logo/image contains 3 colors, the cost would be \$4.50 per logo/image. However, if you only had 5 shirts and your logo/image contains 3 colors, the cost would be \$7.00 per logo/image.

Item pricing takes into account two primary factors:

- How many logos/images are to be screen-printed on the item.
- How many colors are in each logo/image that is to be screen-printed on the item.

Each logo/image is charged for separately.

For example: if the item is to have a 2-color left-chest logo and 3-color back-piece image, the charge would not be for a 5-color logo/image. The charge would be for a 2-color logo (size specific) and a 3-color image (size specific). This is to account for the different printing areas and screen processes.

The following are examples of Screen Printing mockups provided by the shop:

Referencing the table on the previous page, the screen-printed “Unified Fire Authority” logos shown here would cost: \$6.00 for a single 2-Color item and \$7.00 for a single 4-Color item. For other quantity pricing, see the appropriate line(s) in the table on the previous page.
