The State Use Law

63G-6a-804. *Purchase of prison industry goods.*

(1) (a) A procurement unit that is not a political subdivision shall purchase goods and services produced by the Utah Correctional Industries Division as provided in this section.

(b) A political subdivision of the state may, and is encouraged to, purchase goods and services under this section.

(c) A procurement unit is not required to use a standard procurement process to purchase goods or services under this section.

(2) On or before July 1 of each year, the director of the Utah Correctional Industries shall:

(a) publish and distribute to all procurement units and other interested public entities a catalog of goods and services provided by the Correctional Industries Division, including a description and price of each item offered for sale; and

(b) update and revise the catalog described in Subsection (2)(a) during the year as the director considers necessary.

(3) (a) A procurement unit that is not a political subdivision of the state may not purchase any goods or services provided by the Correctional Industries Division from any other source unless it has been determined in writing by the director of Correctional Industries and by the procurement officer or in the case of institutions of higher education, the institutional procurement officer, that purchase from the Correctional Industries Division is not feasible due to one of the following circumstances:

(i) the good or service offered by the division does not meet the reasonable requirements of the procurement unit;

(ii) the good or service cannot be supplied within a reasonable time by the division; or

(iii) the cost of the good or service, including basic price, transportation costs, and other expenses of acquisition, is not competitive with the cost of procuring the item from another source.

(b) In cases of disagreement under Subsection (3)(a):

(i) the decision may be appealed to a board consisting of:

(A) the director of the Department of Corrections;

(B) the director of Administrative Services; and

(C) a neutral third party agreed upon by the other two members of the board;

(ii) in the case of an institution of higher education of the state, the president of the institution, or the president's designee, shall make the final decision; or

(iii) in the case of any of the following entities, a person designated by the applicable rule-making authority shall make the final decision:

(A) a legislative procurement unit;

(B) a judicial procurement unit; or

(C) a public transit district.

Amended by Chapter 445, 2013 General Session

Get To Know UCI

UCI is Utah's prison industries program. Under the direction of the UCI director and the Utah Department of Corrections, UCI operates productive enterprises utilizing offender labor to benefit tax-supported entities, which includes all state agencies and political subdivisions.

UCI is a self-supporting program, deriving its revenues solely from the sales of products and services. Not only do you receive quality products when you purchase from UCI, you are also supporting a great program. UCI provides goods and services for public use while saving taxpayers money.

UCI provides training and structured activity for offenders in a real work environment. Offenders working at UCI acquire vocational skills under working conditions similar to those which prevail in private industry; preparing them for legitimate employment after they are released from prison.

UCI provides high quality products designed and manufactured with you in mind. Few people are aware of the numerous products and services that we offer. We can furnish your office, conference room, lounge, waiting room, library, or other work area with quality industry-standard products. Labor intensive services such as general construction are offered as well.

At UCI you can also purchase clothing, mattresses, interior and exterior signage, and a wide variety of printing services. In an effort to increase our offender employment numbers, we are constantly looking for new products and services. As such, our product line is so diverse and flexible that we are confident that we will always meet the needs of our customers.

Our staff and employees are equally flexible. If there is something you need that we don't offer, we can make the necessary changes to accommodate you and meet your needs.

We invite you to contact one of our marketing representatives for special needs and up-to-date information on any of our products & services or if you would simply like more information about UCI. The number listed below can also be used for requesting information on your current order and to obtain current pricing information.

Utah Correctional Industries

Traditional Industries Programs - Our traditional industries work programs provide cost-effective, quality goods and services to state agencies, counties, cities, other government municipalities, and numerous private sector partners. Each year these manufacturing and service operations save Utah taxpayers hundreds of thousands of dollars while providing meaningful work experience to inmate workers.

Private Sector Partnerships - UCI offers the opportunity for (PS) Private Sector partnerships and/or (PIE) Prison Industries Enhancement programs. Below is a detailed breakdown of what a PIE Certification Program is and how you can participate.

The PIE Certification Program was created by Congress in 1979 to encourage states and units of local government to establish employment opportunities for prisoners that emulate private-sector work opportunities. The program is designed to place inmates in a realistic work environment, pay them the prevailing local wage for similar work, and enable them to acquire marketable skills to increase their potential for successful rehabilitation and meaningful employment upon release. A total of 50 jurisdictions may be certified under the PIE Certification Program. To become certified, each program must demonstrate to the Director of the Bureau of Justice Assistance (BJA), U.S. Department of Justice, that it meets statutory and guideline requirements as listed under Mandatory Criteria for Program Participation. The statute and guidelines are designed to create a level playing field with the private sector. UCI has been PIE certified since 1985.

The PIE Certification Program has two primary objectives:

1. Generate products and services that enable prisoners to make a contribution to society, help offset the cost of their incarceration, compensate crime victims, and support their families.
2. Reduce prison idleness, increase inmate job skills, and improve the prospects for successful inmate transition to the community on release.

Eligible jurisdictions that apply to participate in the PIE Certification Program must meet all nine of the following criteria:

1. Legislative authority to involve the private sector in the production and sale of prison-made goods, and administrative authority to ensure that mandatory program criteria will be met through internal policies and procedures.
2. Legislative authority to pay wages at a rate not less than that paid for similar work in the same locality's private sector.
3. Written assurances that the PIE Certification Program will not result in the displacement of workers employed before program implementation.
4. Authority to provide worker benefits, including workers' compensation or its equivalent.
5. Legislative or administrative authority to take deductions not to exceed 80 percent of gross wages for room and board; taxes (federal, state, local); allocations for support of family pursuant to state statute, court order, or agreement by offender; and contributions of not more than 20 percent, but not less than 5 percent of gross wages to any fund established by law to compensate the victims of crime.
6. Written assurances that inmate participation is voluntary.
7. Written proof of consultation with related organized labor before PIE Certification Program startup.
8. Written proof of consultation with related local private industry before PIE Certification Program startup.
9. Compliance with the National Environmental Policy Act and related federal environmental review requirements.

If you are interested in a PS/PIE opportunity or partnership, please call us at 801-522-7931.

Pricing and availability from the manufacturer fluctuate regularly - please contact us for current prices and product availability.

For a breakdown of embroidery & screen-printing pricing, please refer to the price guides on pages 39 & 41 or contact us for details!

54,000 to 57,999	\$27.00
58,000 to 61,999	\$28.20
Add 1,000	\$3.00

The above prices are for 1 embroidered logo/image and are based on:

- How many stitches it takes to embroider the entire logo/image.

Item pricing takes into account two primary factors:

- How many logos/images are to be embroidered on the item.
- How many stitches are in each logo/image that is to be embroidered on the item.

The number of stitches involved in embroidering a certain logo/image cannot be determined simply by seeing a picture. However, our digitizers can take a picture and create a mockup of the logo/image and determine the stitch count. We can then pass that on to the customer.

If a customer wanted to estimate potential cost, our historical data suggests that there are approximately 10,000 stitches in a 3.5"x3.5" logo/image. That can be doubled for a 7"x7" logo/image. However, that is purely an estimate. It will always depend on how much detail is contained within the logo/image and a mockup and bid from the shop is required for official pricing.

The following are examples of Embroidery mockups provided by the shop:

Referencing the table on the previous page, the embroidered 3.4" x 2.5" triangular logo shown here would cost:
 \$9.50 for a purchased item
 or
 \$12.50 for a customer provided item

Front Embroidery
 3-Color:
 "Black" - "Olive Drab" - "Silver Steel"
 10,854 Stitches

Referencing the table on the previous page, the embroidered 1.7" x 0.5" "CIRT" text shown here would cost:
 \$7.00 for a purchased item
 or
 \$10.00 for a customer provided item

Back Embroidery
 1-Color: "Olive Drab"
 1,240 Stitches

Referencing the table on the previous page, the embroidered 10.5" x 1.5" "Softball" text shown here would cost:
 \$9.50 for a purchased item
 or
 \$12.50 for a customer provided item

Front Embroidery
 1-Color: "Light Navy"
 13,739 Stitches

Pricing Information for Screen Printing

Screen Printing/Heat Transfer Logo Price Guide

Pieces	1-2 Colors	3-4 Colors	5-Color	6-Color
Cost of Screen-Printing	\$6.00	\$7.00	\$8.00	\$9.00

Screen Printing/Heat Transfer Logo Price Guide (Customer Provided Item)

Pieces	1-2 Colors	3-4 Colors	5-Color	6-Color
Cost of Screen-Printing	\$9.00	\$10.00	\$11.00	\$12.00

The above prices are for 1 screen-printed logo/image and are based on:

- How many colors are in the logo/image.

Item pricing takes into account two primary factors:

- How many logos/images are to be screen-printed on the item.
- How many colors are in each logo/image that is to be screen-printed on the item.

Each logo/image is charged for separately.

For example: if the item is to have a 2-color left-chest logo and 3-color back-piece image, the charge would not be for a 5-color logo/image. The charge would be for a 2-color logo (size specific) and a 3-color image (size specific). This is to account for the different printing areas and screen processes.

The following are examples of Screen Printing mockups provided by the shop:

Referencing the table on the previous page, the screen-printed “Unified Fire Authority” logos shown here would cost:
 \$6.00 for a 1-2 Color purchased item or \$7.00 for a 3-4 Color purchased item
 or
 \$9.00 for a 1-2 color customer provided item or \$10.00 for a 3-4 Color purchased item

For other quantity pricing, see the appropriate line(s) in the table on the previous page.
